

Angelus Academy
8th Annual Jog-A-Thon
May 16, 2011

Angelus Academy students (to include the Little Messengers) will be given the opportunity to participate in a fundraiser to directly support the school. The goal of **each** student is to raise \$150.00. Each student will jog or walk around a designated area during his/her regularly scheduled gym class on **Monday, May 16th**. The maximum number of laps is 30. The students will carry a lap card during the event and each time they complete a lap, their cards will be marked.

The school goal is to raise \$15,000. This fundraiser is needed to help defray tuition, provide additional teaching materials, provide buses for field trips, and to support in-house special events.

It currently costs the school approximately \$8,300 per year to educate each child, which represents a \$3,000 gap between what you pay in tuition and actual costs. The school relies on fundraising and generous benefactors to keep tuition reasonable. This fundraiser is essential to the school especially during this time of year when donations are typically lower. Please encourage your child to participate in this event by asking friends and family to pledge.

The following incentives will be offered to all participants to raise the required amounts:

\$10.00 = *Jog-A-Thon T-Shirt*

\$25.00=One Free Game of Bowling at the Fort Belvoir Bowling Alley

\$150.00 or more = *Dunk an 8th Grader of Your Choice*

\$300.00 or more = **Choice of one of the following:**

A. *Dress down day with a trip to Shadowland to play laser tag*

B. *Dress down day with a trip to Ft. Belvoir for lunch and bowling*

Most Money Raised in School= A free pizza bowling party for 10 people at Fort Belvoir.

Note: *Students who collect \$300 will also receive the \$150 prize.*

Children have the choice of asking for a “per lap” pledge (30 laps max) or collecting a flat donation at the time of the solicitation.

Attached is your child’s pledge sheet. Please return the pledge sheet with all donation checks (made payable to Angelus Academy) no later than **Friday, May 20, 2011.**

ALL DONATIONS ARE TAX DEDUCTIBLE!!
